Get Print Book

Representative of the exotic and erotic east, enemy of Christianity, prophet of hedonism, champion of free thinkers, Omar Khayyam and his Ruba'iyat have been the stuff of legend for centuries. Nourished by an admiration of Khayyam that has been with him since childhood, Aminrazavi's comprehensive new biography reintroduces the figure of Khayyam, and his great achievements, to the Western world. Blending a readable and accessible narrative with scholarly ambition and years of research, Aminrazavi's work covers not only Khayyam's well-known poetry, but also his extraordinary life, his neglected philosophical writings and the impact of his work in the West. It features a variety of supporting material, including original translations and the full text of Fitzgerald's Rubaiyyat, and will prove an ideal introduction not only for those who want to know more about the poets inspired by Rumi, but also for students on a variety of humanities and Middle-East related courses.

## **Editorial Review**

### **Review**

This is the most nuanced and balanced study of the elusive Omar Khayyam that I have yet encountered. Aminrazavi acknowledges the problems we face in reconciling the personas of the respected mathematician and natural scientist, the questing philosopher and metaphysician, and the skeptical, antinomian poet, and shows himself to be fully conversant with the scholarly arguments involved. He rejects those treatises and couplets which are obviously spurious, but concludes nevertheless that Khayyam the scientist and philosopher was indeed the author of the famous quatrains - more Buddhist or Epicurean at heart than Sufi - which resonated so strongly with like minds in medieval Persia, the later world of Islam, and the modern West. Khayyam is clearly a man for all ages, and Mehdi Aminrazavi does a fine job of introducing him anew to our insecure post-modern world. John Perry, Center for Middle Eastern Studies, University of Chicago The English speaking public have now access to Dr. Aminrazavi's extensive account of Omar Khayyam's scientific and philosophical work, and will become acquainted with the thinking of this unique Persian intellectual figure. Hossein Ziai, Professor of Islamic and Iranian Studies, UCLA "It is the most important book published on Omar Khayyam during the past few decades. For the first time, it deals not only with Khayyam's poetry, but also with his philosophical and scientific works that have not received the treatment that they deserve in the West. It also debunks the myths about Omar Khayyam of having been either an Epicurean drunkard or a mystic. It provides one of the best and most comprehensive analyses of his philosophy and introduces Khayyam as a deep thinker with a rationalist philosophy that is as fresh today as when it was first enunciated. The discussion of the influence of the Ruba'iyyat on leading Western poets and writers such as Mark Twain, T. S. Eliot, Ezra Pound and others is also very impressive. Farhang Jahanpour, University of Oxford

### **About the Author**

Mehdi Aminrazavi is Professor of Philosophy and Religion and Co-Director of the Centre for Asian Studies at Mary Washington College in Virginia.

Your reading sixth sense will not betray a person, why because this The Wine of Wisdom: The Life, Poetry and Philosophy of Omar Khayyam e-book written by well-known writer whose to say well how to make book that could be understand by anyone who read the book. Written inside good manner for you, still dripping wet every ideas and creating skill only for eliminate your current hunger then you still question The Wine of Wisdom: The Life, Poetry and Philosophy of Omar Khayyam as good book not merely by the cover but also by content. This is one book that can break don't assess book by its handle, so do you still needing another sixth sense to pick this kind of!? Oh come on your studying sixth sense already said so why you have to listening to a different sixth sense.

**Mark Mata:**

As a university student exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Wine of Wisdom: The Life, Poetry and Philosophy of Omar Khayyam can make you sense more interested to read.

**Willie Randolph:**

What is your hobby? Have you heard that question when you got college students? We believe that that concern was given by teacher with their students. Many kinds of hobby, Every individual has different hobby. And you also know that little person just like reading or as examining become their hobby. You need to understand that reading is very important and also book as to be the factor. Book is important thing to include you knowledge, except your own personal teacher or lecturer. You find good news or update about something by book. Numerous books that can you go onto be your object. One of them is this The Wine of Wisdom: The Life, Poetry and Philosophy of Omar Khayyam.
