Western Civilization: Ideas, Politics, and Society, Volume I: To 1789 By Marvin Perry, Myrna Chase, James Jacob, Margaret Jacob, Theodore H. Von Laue

WESTERN CIVILIZATION, Tenth Edition, maintains a firm grounding in political history, while covering intellectual history (particularly the significance of ideas and contributions) to greater and deeper extent than any other text for the course. Known for its accessible writing style, this text appeals to students and instructors alike for its brevity, clarity, and careful selection of content including its enhanced focus on religion and philosophy. Updated with more recent scholarship, the Tenth edition retains many popular features, including comparative timelines, full-color art essays, profiles, and primary source boxes in each chapter. New technology resources (available separately), including CourseMate with interactive eBook, make learning more engaging and bring history concepts to life.

Editorial Review

Review

"The 'typical' students in my Western Civilization course [are] fresh out of high school where most have been taught that History isn't much more than dates, names and memorization. Therefore, the Chronology tables in the Perry text provide some comfort to students. However, they act as an entre to 'real' History, which Perry does very well."

"...Perry has a fine overarching plan for this textbook and he does an excellent job of tying the themes together, transitioning from one to the next; comparing and contrasting--it's obvious to me that he brings many years of fine teaching to this project.... I find his presentation really compelling, nicely thought out, nicely integrated, really well done. He also does a great job of giving a sympathetic telling to each system of thought. And the writing is really great - clear, clean, artistic, even."

"Whether it is because I have used the Perry book for so long or because I developed my courses this way and then found the Perry book to be perfectly suited in organization, I think that for me it is exactly right."

About the Author

Marvin Perry, now retired, taught history at Baruch College, City University of New York.
