The Human Comedy By William Saroyan

The story of *The Human Comedy*, poignant and richly autobiographical, is based both on author Saroyan's fatherless life and the Greek classic Homer's *Odyssey*. Beloved actress Meg Ryan shows us the boy becoming the man in a world that, even in the midst of war, appears sweeter, safer, and more livable than our own.

In World War II-era California, Homer Macauley and his mother, sister, and three brothers live out struggles and dreams that reflect those of America's second-generation immigrants. Homer, determined to become one of the fastest telegraph messengers in the West, finds himself caught between reality and illusion as delivering his messages of wartime brings him face-to-face with human emotion at its most naked and raw.

The Human Comedy is part of Audible's A-List Collection, featuring the world's most celebrated actors narrating distinguished works of literature that each star had a hand in selecting.

Editorial Review

Review

The place is Ithaca, in California's San Joaquin Valley. The time is World War II. The family is the Macauley's -- a mother, sister, and three brothers whose struggles and dreams reflect those of America's second-generation immigrants.. In particular, fourteen-year-old Homer, determined to become one of the fastest telegraph messengers in the West, finds himself caught between reality and illusion as delivering his messages of wartime death, love, and money brings him face-to-face with human emotion at its most naked and raw.

Gentle, poignant and richly autobiographical, this delightful novel shows us the boy becoming the man in a world that even in the midst of war, appears sweeter, safer and more livable than out own.

Users Review

From reader reviews:

Sam Holmes:

What do you think of book? It is just for students because they are still students or the idea for all people in the world, the actual best subject for that? Just you can be answered for that query above. Every person has various personality and hobby for each and every other. Don't to be compelled someone or something that they don't desire do that. You must know how great and important the book The Human Comedy. All type of book would you see on many resources. You can look for the internet resources or other social media.

Jennifer Fields:

This The Human Comedy is fresh way for you who has interest to look for some information as it relief your hunger of information. Getting deeper you in it getting knowledge more you know otherwise you who still having little digest in reading this The Human Comedy can be the light food to suit your needs because the information inside this particular book is easy to get by simply anyone. These books develop itself in the form and that is reachable by anyone, that's why I mean in the e-book application form. People who think that in reserve form make them feel tired even dizzy this book is the answer. So you cannot find any in reading a guide especially this one. You can find what you are looking for. It should be here for a person. So , don't miss that! Just read this e-book sort for your better life along with knowledge.

Carl Speed:

On this era which is the greater person or who has ability in doing something more are more important than other. Do you want to become considered one of it? It is just simple method to have that. What you are related is just spending your time almost no but quite enough to enjoy a look at some books. Among the books in the top checklist in your reading list is usually The Human Comedy. This book that is certainly qualified as The Hungry Hills can get you closer in growing to be precious person. By looking right up and review this publication you can get many advantages.

Theodore Rivas:

A lot of guide has printed but it differs from the others. You can get it by net on social media. You can choose the best book for you, science, witty, novel, or whatever by searching from it. It is named of book The Human Comedy. You can include your knowledge by it. Without departing the printed book, it could possibly add your knowledge and make an individual happier to read. It is most essential that, you must aware about e-book. It can bring you from one destination for a other place.
