Ghana (Bradt Travel Guides) By Philip Briggs

Friendly, safe and inexpensive, Ghana is an ideal destination for first-time visitors to Africa. It is rich in little-visited national parks, forest reserves, cultural sites and scenic waterfalls and blessed with bleached white beaches and the lush rainforest of the Atlantic coastline. Updated throughout, this revised guide includes authoritative history and wildlife sections, accommodation and restaurant recommendations and a wealth of background and practical information. Written by Africa expert Philip Briggs, it provides unrivalled detail and knowledge of this little-visited nation.

This sixth edition is the first time the book has been updated by the original author since the 3rd edition. Philip has more than 20 years experience writing travel guides to Africa, and has overhauled the content to reflect broader changes in the Ghana travel scene over the past six years or so. This has resulted in a new look guide, with better maps, revised structure, along with the usual routine updating of all locations covered.

Excerpt from previous edition

Situated on the thin strip of land that separates the shallow Benya Lagoon from the Atlantic, Elmina is a fascinating and strikingly attractive small town, at least the equal of nearby Cape Coast in terms of historical sightseeing, though often overlooked by tourists in favor of its larger neighbor. The town started life as a fishing and salt-producing village roughly 700 years ago and, despite having served as first the Portuguese and later the Dutch headquarters in West Africa, an overgrown fishing village is basically what Elmina remains today, the rich harvest of the surrounding ocean supplemented by the production of salt from the brackish lagoon. Back in its economic heyday, however, Elmina lay at the heart of the West African gold trade.

Users Review

From reader reviews:

Carrie Rivas:

In other case, little men and women like to read book Ghana (Bradt Travel Guides). You can choose the best book if you like reading a book.
