Oh, The Places You'll Go! By Dr. Seuss

Dr. Seuss's wonderfully wise *Oh, the Places You'll Go!* is the perfect send-off for grads—from nursery school, high school, college, and beyond! From soaring to high heights and seeing great sights to being left in a Lurch on a prickly perch, Dr. Seuss addresses life's ups and downs with his trademark humorous verse and illustrations, while encouraging readers to find the success that lies within. In a starred review, *Booklist* notes, "Seuss's message is simple but never sappy: life may be a 'Great Balancing Act,' but through it all 'There's fun to be done.'" A perennial favorite and a perfect gift for anyone starting a new phase in their life!

Editorial Review

Amazon.com Review

Inspirational yet honest, and always rhythmically rollicking, *Oh, the Places You'll Go!* is a perfect sendoff for children, 1 to 100, entering any new phase of their lives. Kindergartners, graduate students, newlyweds, newly employed--all will glean shiny pearls of wisdom about the big, bountiful future. The incomparable Dr. Seuss rejoices in the potential everyone has to fulfill their wildest dreams: "You'll be on your way up! / You'll be seeing great sights! / You'll join the high fliers / who soar to high heights." At the same time, he won't delude the starry-eyed upstart about the pitfalls of life: "You can get all hung up / in a prickly perch. / And your gang will fly on. / You'll be left in a Lurch."

But fear not! Dr. Seuss, with his inimitable illustrations and exhilarating rhymes, is convinced ("98 and 3/4 percent guaranteed") that success is imminent. As long as you remember "to be dexterous and deft. And NEVER mix up your right foot with your left," things should work out. (All ages) --*Emilie Coulter*

From School Library Journal

PreSchool-Grade 3-- The master of enjoyable didacticism offers a flight of fancy into the future of a generic "you" who is venturing out into the world, where he will have ups and downs but will succeed and finally "MOVE MOUNTAINS!" While doting relatives will find this extended greeting card an ideal gift for nursery school graduates, the story will have less appeal for children than Seuss' story books and easy readers. Seuss' characteristic drawings carry and extend the text through mazelike streets, over colorful checkerboard landscapes, into muddy blue "slumps," through heady highs when fame results from success at the game of life, and through dark, lonely confrontations with graveyard-like fears in times of solitude. While the text gives a strong message of self-determination and potential, the small, male "you" pictured seems more of a passive passenger on his journey through life, reacting to things as they come and walking along with his eyes shut on both the first and last pages of the text. Although this does not rank among the best of Seuss' books, its stress on self-esteem and imaginative artwork make it a good addition to picture-book collections. --Louise L. Sherman, Anna C. Review

Gift guide, The New York Times, June 21, 2008:

"One book that has proved to be popular for graduates of all ages since it was first published in 1990."

Ben Holden-Crowther, 10th May 2016:

"This may be one of the only books ever published to legitimately deserve to be called a modern classic."

Users Review

From reader reviews:

Sheila Lefevre:

Book is actually written, printed, or outlined for everything. You can understand everything you want by a book. Book has a different type. We all know that that book is important issue to bring us around the world. Alongside that you can your reading talent was fluently. A publication *Oh, The Places You'll Go!* will make you to always be smarter. You can feel much more confidence if you can know about anything. But some of you think that will open or reading a new book make you bored. It's not make you fun. Why they could be

thought like that? Have you seeking best book or ideal book with you?

Fern Marshall:

Here thing why this Oh, The Places You'll Go! are different and reliable to be yours. First of all reading through a book is good but it depends in the content of the usb ports which is the content is as scrumptious as food or not. Oh, The Places You'll Go! giving you information deeper as different ways, you can find any book out there but there is no publication that similar with Oh, The Places You'll Go!. It gives you thrill examining journey, its open up your current eyes about the thing that will happened in the world which is perhaps can be happened around you. It is easy to bring everywhere like in recreation area, café, or even in your approach home by train. In case you are having difficulties in bringing the paper book maybe the form of Oh, The Places You'll Go! in e-book can be your option.

Shirley Wales:

The book Oh, The Places You'll Go! has a lot of information on it. So when you check out this book you can get a lot of benefit. The book was compiled by the very famous author. The writer makes some research previous to write this book. That book very easy to read you will get the point easily after looking over this book.

John Smith:

Are you kind of occupied person, only have 10 or perhaps 15 minute in your day to upgrading your mind talent or thinking skill possibly analytical thinking? Then you are experiencing problem with the book than can satisfy your small amount of time to read it because pretty much everything time you only find reserve that need more time to be learn. Oh, The Places You'll Go! can be your answer mainly because it can be read by an individual who have those short extra time problems.
