Expository Sermons on the Book of Daniel By W. A. Criswell

Now all four volumes published together in one book. Originally published as four separate volumes, in answer to critics who allege that Daniel is not inspired Word of God but simply an inspiring work, Criswell was asked by Pat Zondervan to publish a work based upon his expository sermons on the book of Daniel. Volume One addresses authenticity and authorship, as well as Daniel's early life in captivity in Babylon. It also compares Daniel with Revelation. The remaining three volumes are conservative exposition of the book of Daniel. This is a valuable book to have in the library of anyone seriously interested in the subject of Biblical prophecy and the return of Christ.
