Camelot: A Role-Playing Simulation for Political Decision Making By James Woodworth, W. Robert Gump, James R. Forrester

CAMELOT: A ROLE PLAYING SIMULATION introduces you to the interactions of contending and contentious groups and individuals whose values and goals range from radical to reactionary. It addresses such issues as equal opportunity, right to life, freedom of expression, affirmative action, property rights, gay rights, and more. You will quickly learn that competing interests and viewpoints - with their varying degrees of organization and cohesiveness - make political decision-making complex, time consuming, exciting, and often difficult to predict.
