 Get Print Book

This bind-up features two repackaged fan-favorite novels that are sure to delight readers of Stephanie Perkins, Jennifer Echols, and, of course, Catherine Clark.

Summer vacation isn't just about working on your tan line and flirting with the lifeguard. . . . For two teenage girls in two irresistibly romantic novels it's also a chance to learn that sometimes leaving home is the best way to find yourself.

In *Picture Perfect*, Emily can't wait to spend her summer on the beautiful beaches of the Outer Banks, North Carolina. It has been two years since she went on a trip with her three closest childhood friends—two years that she's hoping will erase the memory of the last time she saw Spencer, the boy who broke her heart. And what better way to forget about Spencer than to have the perfect summer fling with Blake, the boy living in the beach house next door? But embarking on a new romance is more difficult than she expected when her feelings for her first love aren't exactly a thing of the past.

In *Wish You Were Here*, Ariel is embarking on the summer vacation of a lifetime—at least, she hopes this is the only trip like this she'll ever take. Stuck on an "America's Heartland" bus tour with her family, leaving her amazing boyfriend back home, and maintaining her track-team endurance by sprinting through rest stop parking lots? Who could survive four weeks of that? But as she spends more time with the intriguing, also-miserable Andre, Ariel begins to learn that sometimes you just have to go where the road takes you—even if the tour bus won't.

It can't be said constantly that reading practice only for the geeky individual but for all of you who wants to possibly be success person. So , for every you who want to start studying as your good habit, you can pick The Summer of Everything: Picture Perfect and Wish You Were Here become your personal starter.

Nelson McNamee:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this The Summer of Everything: Picture Perfect and Wish You Were Here can make you experience more interested to read.
