The Cicada Prophecy By J.R. McLeay

**FOR A SMALL PRICE, ANYONE CAN BE IMMORTAL.
WELCOME TO THE BRAVE NEW WORLD...**

Dr. Richard Ross has discovered a miracle cure for aging. But it comes at a price. Everyone who wants eternal youth must undergo an operation before passing into adulthood that locks their body in the form of a preadolescent youth. When seniors die off, immortal juveniles rise to power and take over the world.

But not everyone is happy with the new arrangement. A group of rebels from the Garden of Eden church plots to overthrow the new regime and return the world to its natural order. When juveniles suddenly begin rapidly aging, the entire population is set on a course of imminent extinction.

Building to a chilling climax, Dr. Ross and his endocrinologist girlfriend must find and rescue the one remaining person who carries the genetic link for saving the human race.

A mind-bending technothriller based on Nobel prizewinning research.

"Best science fiction book of the year."

(Books, Books, and More Books)

Warning: Most of the characters in this story, although chronologically advanced in years, inhabit the bodies of preadolescent youths. If you're uncomfortable with the idea of such juveniles engaging in adult behaviors, do not read this book.

Editorial Review

Review

2014 Amazon Breakthrough Novel Award Quarterfinalist

"The best science fiction is hard science fiction - and the best hard science fiction is that which takes real-life, complex and thorny issues of science, and injects them into a compelling story with an intriguing plot played out by likable, interesting characters. This book does all of that. The Cicada Prophecy gets my top recommendation." (Ken Korczak, toptenbookreview.com)

"Its refreshing when you find a book that is not only well written, but also has great characters, developed, and an intriguing story line. Not only was the plot line of this book something I've never read before, which is rare, but it was also very well written and well developed. I would not hesitate to pick up another medical suspense after this - let's hope it's as good as this one." (Kristen Downer, nerdprobs.com)"

A good book should freak you out. It should make you ask yourself questions like, "What would I do?" or, "Could that happen?" Author J.R. McLeay's novel, *The Cicada Prophecy*, will make you ask yourself those questions. In fact, at the end of the first chapter I asked myself a very important one: "What the f--k?" (Carly Fjeld, scifibloggers.com)

"Provocative and controversial" (Amazon Vine Reviewer)

"Well written, fantastic plot" (Amazon Vine Reviewer)

About the Author

J. R. McLeay is an Amazon bestselling author in science fiction and technothriller genres. A 2014 Amazon Breakthrough Novel Award quarterfinalist, his books are grounded on extensive research and real science.

J. R.'s debut novel *The Cicada Prophecy* paints a picture of how the world might evolve when medicine finds a cure for aging. A bold and provocative premise predicated on emerging science, his vision of the future will stoke wonder and alarm at the prospect of children taking over the planet.

Users Review

From reader reviews:

Hubert Ray:

What do you regarding book? It is not important to you? Or just adding material when you need something to explain what your own problem? How about your free time? Or are you busy man? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Everyone has many questions above. They must answer that question mainly because just their can do that will. It said that about book. Book is familiar on every person. Yes, it is appropriate. Because start from on jardín de infancia until university need this particular *The Cicada Prophecy* to read.

William Jewell:

Reading a e-book tends to be new life style on this era globalization. With examining you can get a lot of information that will give you benefit in your life. With book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their reader with their story or maybe their experience. Not only the story that share in the textbooks. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors these days always try to improve their skill in writing, they also doing some study before they write to the book. One of them is this The Cicada Prophecy.

Jeff Farley:

Do you have something that you like such as book? The publication lovers usually prefer to pick book like comic, quick story and the biggest an example may be novel. Now, why not seeking The Cicada Prophecy that give your fun preference will be satisfied by reading this book. Reading addiction all over the world can be said as the opportunity for people to know world far better then how they react toward the world. It can't be stated constantly that reading habit only for the geeky man or woman but for all of you who wants to end up being success person. So , for all of you who want to start studying as your good habit, you are able to pick The Cicada Prophecy become your own personal starter.

Timothy Quintero:

Many people spending their moment by playing outside together with friends, fun activity having family or just watching TV 24 hours a day. You can have new activity to pay your whole day by reading through a book. Ugh, do you think reading a book can definitely hard because you have to use the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Touch screen phone. Like The Cicada Prophecy which is getting the e-book version. So , why not try out this book? Let's observe.
