**The Billionaire Dating Game: A Romance Novel** By Aubrey Dark

*How many orgasms do you think I can give you in thirty minutes?*

Okay, so look: I'm not into reality TV. I don't know who Piers Letocci is, or why every girl in America is head over heels for him. I only know that I have to interview Piers about his new show, *The Billionaire Dating Game*. Fifteen minutes of journalistic duty, and I'm out of there.

Or so I thought.

Piers isn't just some random celebrity. He's the guy I kissed at the coffeeshop last night. Mr. Tall, Dark, and Handsome, who wouldn't tell me his real name when he set my whole body on fire with just one kiss. I never thought I'd see him again, but... there he is, sitting across from me, with that same charming glint in his eye.

I've never believed in soulmates. Piers might just prove me wrong.

Now, I'm not just interviewing him about his show... somehow, I'm on it. And it's up to me to prove that I have what it takes to date a billionaire. If I lose, I may never see Piers again. And if I win...

Oh, God. *What if I win?*
