Editorial Review

Review

" well-written, carefully researched and incredibly thorough...If you have even a passing interest in marijuana, start clearing a space between your grinder and bong for this book on your coffee table."

- Willamette Week

"America's baby boomers are now empty nesters who want to smoke some pot again. Problem is: they have no idea what they are doing.

So the country's foremost pot magazine High Times is going back to basics with a new title for those who've been out of the loop for a while ...*Marijuana for Everybody* is billed as breezy handbook on cannabis, its uses and culture. The rapidly advancing world of weed gets broken down into easy chunks on topics like 'cannabis chemistry', 'how to: roll the classic cone', and 'where do bongs come from?' The list-lovers will dig: 8 items to look for on the label when you buy legal weed; 6 things to do if you think you're too high; 7 things to keep in mind when buying edibles; and 10 common marijuana strains and their characteristics.

Just in time for the holidays, this is an easy pickup for that cool-but-clueless uncle who doesn't understand dabs or decarboxylation."

-Smell the Truth blog

"'Marijuana for Everybody!' is 192 pages of legit knowledge punctuated with tongue-in-cheek phrasing, tasteful but playful graphic design and a fact-based foundation that supports its historical background, how-to guides, tips and tricks...Media of all stripes are rushing to cash in on mainstream pot curiosity, but few publications could hope to produce something as smart and easy to digest as 'Marijuana for Everbody!'"

-The Cannabist
