From the Author

"We are here on this earth to evolve to the Higher Levels and become one with our Higher Level Self. This evolution involves the challenge of awakening to who we are, then finding and fulfilling our destiny. In order to fulfil our destiny, we must learn to create. In order to create, or manifest, we need two things: Energy and INTENT. We can develop both of these by practicing High Level Qigong."

"Qigong is more than simply a study of energy. In addition to being the single most profound form of preventive and healing medicine, the practice of High Level Qigong is a way of life, a way of attaining our highest spiritual goals, a way of attaining knowledge of who we really are and what we are supposed to be doing on this earth."
