As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the professor want, like asked to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Harper Lee: To Kill a Mockingbird (Writers and Their Work (Hardcover)) can make you feel more interested to read.
