## My Billionaire Stepbrother's Baby By Lauren Landish

When my father died after a horrific car crash, my mother remarried a filthy rich billionaire by the name of Donald Witherspoon.

Little did I know that this union would come along with a hot-as-hell stepbrother that would become the bane of my existence.

He constantly walks around the Witherspoon estate with no shirt on, showing off his washboard abs and well-defined muscles. It's all a game to torment me, you see.

He knows that I want him. After all, why else would he bring girls home night after night and screw their brains out so that I can hear them scream his name?

I knew that if I was to make him mine, I'd have to give him something very special...something that would make him mine...forever.
