Editorial Review

From the Back Cover

'The *Financial Times Guide to Banking* is clear, to the point and at the same time encourages the reader to ask questions and challenge the perceived view. Glen Arnold breaks down his subject and then builds it up again allowing everyone to fully grasp what is being discussed. I would recommend this book to anyone looking fully to understand the banking industry and is not sure where to start.'

Jeremy Eustace, Principal Consultant HCM, Oracle and Former Head of Graduate Recruitment, RBS International Banking (EMEA)
