### **Editorial Review**

#### **Review**

"The 25th anniversary edition of the book just came out, and it's much like the first edition. Both books are the same: just pages with no words. Cindy says the new edition has more blank pages. So nothing much has changed in 25 years regarding men's fathoming of the female psyche." (John Kelso, Austin American-Statesman)

#### **About the Author**

Newport House Publishing, which was founded by Alan Garner and Cindy Cashman, first published *Everything Men Know About Women* in 1987. AMP took over the Newport House line in 1985 and has been happily publishing this title ever since.
