## Organizing Your Photos with Lightroom 5 By Peter Krogh

Store, Tag, Create. (It's not too late!) You want to tidy up your image library? Streamline your workflow? Get your images and collections out into the real world quickly and easily? 'Organizing Your Photos for Lightroom 5' brings clarity and simplicity to these sometimes confusing processes. By stepping back to view all your photographs through Peter Krogh's three-step approach, you will be able to create and share your images knowing your collection rests on strong foundations. Krogh takes readers and viewers on a guided tour of discovery, as he uses his own extensive image library to explain how to take the work out of organization so that you can focus on your creativity. Each process is detailed step by step in both video and text, along with large doses of insider info and handy shortcuts. This multimedia eBook is written for Adobe Lightroom 5 users, but the approach can apply to earlier versions. Whether you are a beginning user or a veteran user, all will gain insight, tips, and most important, assurance that your own photo library is well-organized for the future. Plus you're guaranteed to learn new tools and approaches that many Adobe pros have not yet discovered. And you get to see it all in action in Peter's own image library. He'll tell you what works, what doesn't, and the lessons he's learned along the way. What's inside: 208 pages provides 10 chapters of text. Each chapter has videos to show the steps, The DVD contains both the copy and the movies, adding up to 7 hours of embedded video. You can review the entire Table of Contents for the full line-up of instruction at [www.thedambook.com](http://www.thedambook.com). Other things to know: Each print version is accompanied with a DVD containing the interactive PDF.
