Editorial Review

From School Library Journal

Gr 7–10—Harriet Manners, star of this British import, is a geek through and through. She has no idea how to dress, is awkward and clumsy, spouts off facts at every opportunity, is bullied mercilessly at school, and has one friend, Nat, and one stalker, Toby. Nat dreams of becoming a fashion model and drags a completely uninterested Harriet along to Clothes Week, hoping to get discovered. As soon as they arrive, Nat runs off to find an agent leaving Harriet to her own devices. While looking at hats, Harriet manages to knock over several stalls, which creates quite a commotion and leads to her unwanted discovery by a modeling agent. Insert hilarity, deception, misunderstanding, fashion, makeup, and hairstyles. Harriet loses and regains her best friend and finds a new friend in Toby while she attempts to navigate modeling for one of the top fashion designers. Quirky, likable, and geeky, Harriet is an outsider to the modeling world but possesses a natural charm that is everything the fashion world needs. Pure fun.—Heather Acerro, Rochester Public Library, MN

From the Back Cover

Harriet Manners is a geek.

As if the *Oxford English Dictionary* on her nightstand isn't enough of a clue, there's also the fact that no one appreciates her extensive trivia knowledge, and the way her nemesis, Alexa, mocks her at school. So when Harriet is discovered by a modeling agent, she leaps at the chance to reinvent herself.

Harriet isn't sure she'll ever learn to navigate the terrifying world of high fashion—at least not without falling off a runway and embarrassing herself in front of her gorgeous new costar, Nick. But ready or not, Harriet is about to learn whether she has what it takes to transform from geek to chic.
