Journey Into the Flame: Book One of the Rising World Trilogy By T. R. Williams

In the tradition of *The Celestine Prophecy* comes the first book in a gripping post-apocalyptic trilogy involving the search for ancient books whose secrets hold the key to humanity's survival.

In 2027, the Great Disruption shook the world. An unexplained solar storm struck the earth, shifting it four degrees south on its axis. Everything went dark. Humanity was on the verge of despair. Then a man named Camden Ford discovered a set of ancient books called the *Chronicles of Satraya*.

Thirty years later, the world is a different place. Thanks to the teachings of the *Chronicles*, hope has been restored, cities rebuilt, technology advanced. The books also have a different owner: Logan Cutler, who inherited them when Camden mysteriously disappeared. But when Logan auctions off the books to pay his debts, they fall into the wrong hands. The Reges Hominum, a clandestine group that once ruled history from the shadows, is launching a worldwide conspiracy to regain control.

Soon Logan realizes he's made a terrible mistake. With the help of special agent Valerie Perrot and the wisdom of the *Chronicles* as his guide, he embarks on an epic quest to get the books back before it's too late.

Abounding with questions about humanity's secret past and its unknown future, *Journey into the Flame* will not only take you to the start of an incredible new world, it will also take you deep into the greater mysteries of the self.

The year is 2057, 30 years after the Great Disruption, when a solar storm smacked into Earth and threw the planet off its axis, plunging the world into apocalyptic chaos. Near an abandoned campfire, a man finds some ancient books, the Chronicles of Satraya, in a leather satchel. Four decades later, the world is more technologically advanced than it ever was, thanks to the teachings of the Chronicles, several sets of which were found around the world. When a struggling artist, Logan Cutler, decides to auction off his own copies of the books, he discovers that some people are extremely interested in getting their hands on them—interested enough to commit murder. A group known as Reges Hominum has existed in the shadows of society for centuries and now sees an opportunity to seize full control of the world, if they can obtain all copies of the Chronicles, and one set remains to be found. This race-against-time, postapocalyptic adventure keeps us flipping the pages, and the book's wide-open ending cries out for volume two (this is the first of a projected trilogy). --David Pitt

Review

"A spiritual adventure **full of suspense and mystery**... [T.R. Williams] has cleverly woven his advanced knowledge of secret wisdom into **a thrilling, fast-moving story** that will keep you on the edge of your seat." (Rhonda Byrne, author of *The Secret*)

"**An imaginative story filled with intrigue, suspense and deep wisdom**, all set in a post-apocalyptic world where the stakes couldn't be higher... *Journey Into the Flame* is **a spiritual adventure of the first order**." (Felix Palma, New York Times bestselling author of *The Map of Time*)

"T.R. Williams' novel *Journey into the Flame* is **a thought-provoking evolution of the dystopian genre**. Where others have simply used economic and ecological apocalypse as elaborate set dressing, Williams plunges into the deeper meaning and significance of a world that has literally come off its compass. The result is **a bold and exciting odyssey that not only entertains, but also asks every reader to question the greater purpose of their own existence and the world around them. *Journey into the Flame* is a modern myth**, and we'll all be better off for the message it may communicate to us about ourselves and the nexus of science and spirituality in which we live." (Gotham Chopra, author of *Walking Wisdom*)

"This race-against-time, postapocalyptic adventure **keeps us flipping the pages**, and the book's wide-open ending **cries out for volume two**." (*Booklist*)

"A ripping yarn! A **clever and intricate** spin on the post-apocalyptic theme that is so popular. This stands **head and shoulders above the crowd**." (*Cayacosta Review*)

"**A futuristic *Da Vinci Code* mixed with bits of *Brave New World* and a big scoop of deep spiritual wisdom**, *Journey Into The Flame* compounds all my favorite genres into one juicy read. This mystical thriller is thought-provoking and satisfying." (Arielle Ford, author of *Wabi-Sabi Love*)
