**The Treasure of the City of Ladies (Penguin Classics)** By Christine de Pizan

**Advice and guidance for women of all ages, from Europe's first professional woman writer**

Written by Europe's first professional woman writer, *The Treasure of the City of Ladies* offers advice and guidance to women of all ages and from all levels of medieval society, from royal courtiers to prostitutes. It paints an intricate picture of daily life in the courts and streets of fifteenth-century France and gives a fascinating glimpse into the practical considerations of running a household, dressing appropriately and maintaining a reputation in all circumstances. Christine de Pizan's book provides a valuable counterbalance to male accounts of life in the middle ages and demonstrates, often with dry humour, how a woman's position in society could be made less precarious by following the correct etiquette.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

### Editorial Review

Language Notes

Text: English (translation)

Original Language: French

From the Back Cover

Christine de Pisan's writing is a valuable counterbalance to most of the rest of our evidence of medieval life which was written by men. She addresses all women, from those at the royal court to prostitutes, painting a vivid picture of their lives in fine detail-and often in a dryly amusing way. Her tone is moral, but also down to earth. A woman's position, as Christine herself knew, was hardly secure.
