The Dream Hunter By Laura Kinsale

To love him is to face her deepest fear . . . In search of a legendary mare, Lord Winter enters the crucible of the red sands, forging unbreakable bonds of loyalty and trust with his young companion in the desert. But hidden beneath the ragged costume of a Bedouin boy is a remarkable young woman: Zenia Stanhope, daughter of the extraordinary Queen of the Desert.

Zenia wants nothing of the danger that Lord Winter lives for. She wants only to reach England, far from the blood and sand of the desert. But in one night of terror, condemned to death, their lives are irrevocably bound. Zenia escapes to an English world of elegance and comfort, leaving behind the lonely, fearless man who has changed her life and conquered her heart . . . until he returns to invade her sanctuary.

Now she must choose between safety and love, but can she find the courage to be the person she was truly born to be?

Editorial Review

From Publishers Weekly

When Arden, Lord Winter, travels to Africa in 1838, he agrees to let a young Bedouin boy lead him across the desert in return for which Arden will take the young man to England. But the young man is in fact a young woman, Zenia, whose adventurous mother (recently deceased) insisted she hide her sex for protection. In due course, Arden and Zenia are captured, and Zenia's hoax is uncovered, so to speak. Feeling sure they are about to be executed, the two take advantage of the pleasures available. Shortly thereafter, Zenia, believing Arden dead, makes her escape during a battle and finds her way to his family in England, where she discovers that she is pregnant. With so much happening at first, it's quite a shock to find the tale grinding to a sudden halt. Even when Arden comes home three years later, the plot still lags. There is no joyous reunion, merely constant bickering over the upbringing of the child. Once it is decided that Arden and Zenia marry legally, the arrangements are gone over repeatedly by different characters, leaving the reader to suffer the same tiresome passages again and again. There are no diverting subplots, no reason, in fact, for the reader to torture him or herself by attempting to finish this tedious tale.

Lord Winter, a rebellious young viscount, restlessly searches the world for new adventure while his parents wish he would be searching for a wife. In pursuit of a legendary Arabian horse known as String of Pearls, Winter inadvertently fulfills both dreams. He hires a ragged Bedouin youth to guide him across the desert. The youth is a young woman in disguise with hopes of finally making her way to England where her father (unaware of her existence) lives. The two part during a desert battle, shortly after the disguise is uncovered. Winter is presumed dead and Zenia, carrying his child, is mistaken for his wife and encouraged by Winter's parents to keep up the pretense. Winter arrives home three years later to find his beloved waif transformed into a cool, proper English miss, and their reunion is as stormy as their first meeting. Kinsale handles her tempestuous characters well in her latest historical romance. *Denise Perry Donavin*

From the Author

The lovely mare on the cover is real--Antara Shalima (Ansata Hejazi x Sha Latif) a Straight Egyptian Arabian with all lines tracing to the Ali Pasha Sherif horses in Egypt. The original photograph of this gorgeous mare was taken by Nancy Pierce of Pierce Graphic Design and is used with permission.

There could not be a more true-to-life image of Shajar al-Durr, the legendary String of Pearls that Arden brings out of the desert at such cost.

Reading a book can help men and women out of this uncertainty Information specifically this The Dream Hunter book because this book offers you rich info and knowledge. Of course the information in this book hundred percent guarantees there is no doubt in it everbody knows.

Theresa Gayle:

Spent a free a chance to be fun activity to complete! A lot of people spent their spare time with their family, or their own friends. Usually they undertaking activity like watching television, going to beach, or picnic inside the park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your free time/ holiday? Could be reading a book could be option to fill your free time/ holiday. The first thing that you'll ask may be what kinds of guide that you should read. If you want to try out look for book, may be the book untitled The Dream Hunter can be excellent book to read. May be it can be best activity to you.

Stephanie Sellers:

The book The Dream Hunter has a lot details on it. So when you make sure to read this book you can get a lot of gain. The book was written by the very famous author. This articles author makes some research ahead of write this book. This kind of book very easy to read you may get the point easily after perusing this book.

Gary Lopez:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Dream Hunter can make you really feel more interested to read.
