## Getting Past OK By Richard Brodie

Richard Brodie dropped out of Harvard to join the computer revolution and write the first version of Microsoft Word. Then, burned-out helping Microsoft achieve its phenomenal success, he quit and embarked on an equally intense search for a more meaningful life. For three years Richard mined the wisdom of famed self-improvement seminars and workshops. Most of all, he wanted to discover why life seemed to coast along at either an “OK” level or plummet into “the pits,” spending so little time in true satisfaction and fulfillment. In this book, he shares the results of his odyssey, providing a step-by-step guide for discovering your own individual formula for long-term success and happiness. It gives you all the tools you need to find yourself, take charge, and get past OK.
