### The Prince's Fated Mate: M/M Alpha/Omega Paranormal Werewolf Romance (Norvargen Wolves Book 1) By Alex Ashmore

Ever since he was young, Will has admired his parents for being fated mates — soul-bound destined partners. All they needed was one quick look to know that they were meant to be together. Of course, Will's a simple, practical omega happy with his simple, quiet life in the remote town of Hemslock, helping his father around at the inn they own. He never really expected to have a fated mate of his own — until the day his destined alpha strolls into town.

The problem is, his alpha is none other than Prince James, the handsome and aloof First Son of the pack, who's already engaged to another omega prince. Not only is he in an entirely different league from Will, he's also almost impossible to talk to.

And an even bigger problem? Prince James seems to have no clue that Will is his fated mate and nothing Will does changes that. Can Will win over the prince's heart and find his happy ending? Or is Will doomed to a one-sided destiny, watching his fated mate bond with another omega?

***The Prince's Fated Mate*** is a standalone romance novel featuring **gay werewolves and an alpha-omega pairing**, and hot, steamy action between two men! Warning for mentions of male pregnancy. The story has a **happily-ever-after ending** and **no cliffhangers**.
