## Congratulations, you're a new mommy!

You've brought your brand-new bundle of joy home, and there's so much to look forward to: photos; baby's first word; clipping those oh-so-cute and very tiny fingernails; finding just the right stroller; sex again (gulp!); and, oh yes, losing the weight.

The joys of being a new mommy or daddy are endless, but so are the worries and the advice. Jenny McCarthy, the *New York Times* bestselling author of *Belly Laughs*, told you the truth about pregnancy and childbirth. Now she's telling the truth about baby's first year.

With hilarious musings on desperately trying to recall lullabies, losing the weight, baby- proofing the house, encountering mommies with superbabies, postpartum depression, dueling grandmas, and *still* trying to lose the weight, *Baby Laughs* is the perfect companion for anyone trying to raise the next president, those just trying to get to the next naptime, and anyone who was ever in diapers.
