Stupid Girl (New Adult Romance) (Stupid in Love Book 1) By Cindy Miles

After you've fallen in love with STUPID GIRL's Brax and Olivia, get another dose of the Stupid in Love series. STUPID BOY is out now!

"Stupid Girl is the single best new adult novel that I have read to date. Make sure your e-reader is charged, because once you start, you won't be able to stop."

- NYT and USA TODAY bestselling author Lauren Hawkeye

Only fools fall in love...

After her senior year of high school leaves behind nothing but heartache, Olivia Beaumont is sure of this: She's no stupid girl. She sets out for Winston University, promising herself that she will remain focused on her first and only love - astronomy. But all it takes is cocky sophomore Brax Jenkins and an accidental collision with a football, to throw her entire year off course.

A quick-tempered Southie who escaped the inner city streets of Boston to pitch for Winston, Brax is known to play way more fields than just the baseball diamond. So, when his name is drawn to take part in his fraternity's hazing dare, Brax eagerly accepts the mission to take Olivia's virginity. But he doesn't plan on falling hard for the sweet and sassy Texas girl who sees right through his bad-boy persona.

As Olivia and Brax battle their feelings for each other, echoes of the past year begin to surface. A boy who once turned Olivia's whole world upside down reappears, and "harmless" pranks wreak havoc. Pretty soon the aspiring astronomer is on the verge of revealing her most difficult, heartbreaking secret. All the while, Brax must wrestle with the irrevocable dare, and Olivia struggles against all logic as she does the one thing only a stupid girl would do: fall in love.

"A raw, beautiful, poignant story about pain, heartache and first love. I couldn't put it down."

- Carly Phillips, NYT bestselling author

"A brilliant story full of angst, pain, love and loss, Stupid Girl has it all."

- NYT and USA TODAY bestselling author Cathryn Fox
