Cain's Wife, Lilith's Daughter By Walter Parks

The enduring question has been: "Where did Cain get his wife?" The churches have not given an acceptable answer to this question. Their inability to answer this question creates great doubt as to the accuracy of the Bible. More and more Christians are giving up on defending the Bible. It is vitally important for Christians to be able to answer this question because it relates to defending the fact that all humans are descendants of Adam and Eve and only their descendants can be saved. Cain's wife has been talked about in countries all over the world for hundreds of years. Skeptics of the Bible have used Cain's wife time and again to try to discredit the book of Genesis as a true historical record. This story of Cain's Wife is my initial attempt to reconcile the Bible with the undisputable scientific evidence for creative evolution. I have combined 4 sets of information: The current Bible, the old Bible before the major changes in late BC and early AD, other Ancient Literature, and the scientific facts of creation/evolution. I try to clarify why the Bible gives 2 accounts of the creation of Adam and Eve. The Bible actually describes the creation of 2 women for him. The first was Lilith (Genesis 1:27) but her name was removed from the current Bible. However her name can be seen in the older version of the Bible that existed before later day changes were made. The creation of Eve, Adam's second mate, was created from Adam's rib and is described in Genesis 2:18. Lilith has been systematically removed from the Bible, except for one reference in Isaiah 34:14. Not only was Lilith removed from the Bible, but she was demonized. The facts remain that she did exist and she did have children that are mentioned throughout the ancient literature. At lease one of her daughters was called Lilim. Lilim became Cain's wife.

About the Author

Hi! Thanks so much for your interest in my books! My principal interests are true stories of the unusual or of the previously Unknown or unexplained. I have occasionally also written some fiction. I was born in Memphis Tennessee and grew up in a small town near Tupelo Mississippi. After graduating from Mississippi State University as an aerospace engineer I moved to Orlando Florida and worked for Lockheed Martin for 24 years. I advanced from an aerospace engineer to a Vice President of the Company and President of the Tactical Weapons Systems Division. I then formed Parks-Jaggers Aerospace Company and sold it 4 years later. I continued my education throughout my career with a MBA degree from Rollins College and with Post Graduate Studies in Astrophysics at UCLA; Laser Physics at the University of Michigan; Computer Science at the University of Florida; and Finance and Accounting at the Wharton School, University of Pennsylvania. After selling my aerospace company I formed Quest Studios, Quest Entertainment and Rosebud Entertainment to make films at Universal Studios. I produced 10 films, directed 7 films and wrote 5 films produced at Universal Studios. I then formed UnknownTruths Publishing Company to publish true stories of the unusual or of the previously Unknown or unexplained. These include books about past events so unbelievable that most people have relegated them to "myths". I have published 22 books and have an additional 9 in development.
