Marriage? To a gambler? You must be joking! Yet Lady Hermione Upperton has never backed down from a challenge. When her spendthrift father offers her at the gaming tables, she is given a difficult choice--wed the Earl of Mainwaring, an infamous gamester with no respect for her skills with the reins, or face charges for the murder of a member of the infamous Lords of Anarchy. Either way she'll have to clear her name. Can she count on her husband's help the way she has begun to count on his kisses?

All Jasper Fawley, the Earl of Mainwaring, wanted was a night of cards. But by the end of the evening he's walked away with a fortune--and a bride who's suspected of murder. Jasper knows Hermione is passionate about her unorthodox membership in the Lords of Anarchy, but he's certain she would never kill to keep it. Can he protect his headstrong wife from prosecution and a ruthless killer without endangering both their hearts in the process?

Editorial Review

Review

"Expertly crafted characters and a fast-paced plot are the highlights of Collins's second Lords of Anarchy Regency (after *A Good Rake Is Hard to Find*). Collins craftily combines sensuous romance with a touch of suspense, creating a delightful novel that will leave readers eagerly anticipating the next installment." *Publisher's Weekly*

"Collins continues to prove her flair for skillfully pairing danger and desire in the latest sinfully sexy addition to her Lords of Anarchy series." - *Booklist*

"Collins delivers plenty of pleasure with the latest Lords of Anarchy installment. Fast-paced plotting and quick-fire dialogue capture the atmosphere of this mystery-tinged romance to perfection. Collins engages the reader as much with her clever plotting as she does with her charming characters." *RT Book Reviews*

From the Back Cover

About the Author

Manda Collins spent her teen years wishing she'd been born a couple of centuries earlier, preferably in the English countryside. Time travel being what it is, she resigned herself to life with electricity and indoor

plumbing, and read lots of books. When she's not writing, she's helping other people use books, as an academic librarian.
