The Weiser Concise Guide to Alchemy (The Weiser Concise Guide Series)

By Brian Cotnoir

Cotnoir offers a detailed, step-by-step introduction to Alchemy that explores its mysteries while illustrating its use as a modern spiritual system of attainment. He provides an overview of the history of Alchemy, as well as evidence to detractors that Alchemy is much more than a medieval form of psychotherapy. He also includes practical laboratory experiments that safely, and intelligently, lead readers to an understanding of this ancient art and spiritual practice.
