While filling the display case in her bakery, the bell over the door sounds and Tessa O'Hara looks up to see the man of her dreams. Within thirty seconds he asks her out for a beer. But after four months of dating, she discovers he's an undercover DEA agent-and he's investigating her possible role in her ex-husband's drug business. For Tess, this means their relationship is over.

Brock disagrees. He's committed to his anti-drug mission, but he's fallen in love with the beautiful woman who's as sweet as her cupcakes-and he'll do anything to win her back. Standing between Tess and Brock are their own exes, one of them a drug lord who's determined to get what he wants. Tess O'Hara is a fortysomething woman with an ex-husband she just wants to forget. So when Brock Lucas walks into her bakery, she immediately agrees to go out with him. Months later, after falling hard and fast for Brock, Tess learns two things: Brock is an undercover DEA agent who is investigating her ex-husband, and he is undoubtedly in love with her. As the two work to build a new relationship based on trust and honesty, both of their ex-spouses start causing trouble, bringing danger and frustration into their lives. Brock works tirelessly to protect his sweet and loving Tess while she stays strong for him and his sons. The latest novel in Ashley's Dream Man series is a lengthy story with comical characters, complex family plotlines, and a rough-around-the-edges leading man. Ashley addresses sexual assault and domestic violence and is focused on Brock and Tess working together to overcome old demons. With Brock's raw side contrasted with Tess's innocence, Wild Man delivers a passionate, opposites-attract romance. --Patricia Smith

Review

"Ashley delivers a deeply emotional second installment of the Chaos contemporary romance series (after *Own the Wind*)... Punctuated by blistering-hot sex scenes and fascinating glimpses into the tough world of motorcycle clubs, this romance also delivers true heart and emotion, and a story that will stay with the reader long after the final page is turned." *Publishers Weekly, Starred Review, on Fire Inside*

"With Brock's raw side contrasted with Tess's innocence, *Wild Man* delivers a passionate, opposites-attract romance."

"I felt all of the rushes, the adrenaline surges, the anger spikes... my heart pumping in fury. My eyes tearing up when my heart (I mean... *her* heart) would break." (On Motorcycle Man) *Maryse's Book Blog, Maryse.net*

About the Author

Kristen Ashley grew up in Brownsburg, Indiana, and has lived in Denver, Colorado, and the West Country of England. Thus she has been blessed to have friends and family around the globe. Her posse is loopy (to say the least) but loopy is good when you want to write.

Kristen was raised in a house with a large and multigenerational family. They lived on a very small farm in a small town in the heartland, and Kristen grew up listening to the strains of Glenn Miller, The Everly Brothers, REO Speedwagon, and Whitesnake.

Needless to say, growing up in a house full of music and love was a good way to grow up.

And as she keeps growing up, it keeps getting better.
