Connecting Rooms By Jayne Ann Krentz

Available for the first time as a standalone eBook novella, #1 *New York Times* bestselling author Jayne Ann Krentz's *Connecting Rooms*.

Amy Comfort is a real estate agent on Misplaced Island, a quaint, remote town located off the coast of Washington. When she sells an old Victorian manse to the sultry, sexy Owen Sweet, a private investigator relocating from Seattle, sparks fly from the get-go, though both Amy and Owen decidedly ignore their natural chemistry.

Until, that is, Amy enlists Owen's help in looking into her aunt Bernice's fiance Arthur Crabshaw, who Amy suspects is not what he seems. To keep their cover intact, Amy and Owen pretend to be a lovestruck, newly engaged couple, as they travel to Villantry, Washington, to investigate Arthur. When the mystery surrounding Arthur begins to spin out of control, Amy and Owen must trust in each other to stay alive. But, when the lines between their make-believe courtship and reality begin to blur, will the faux-couple end up with something aside from what they had set out to find?

From a bestselling anthology comes the story of two people looking for answers, who happen upon something they never knew was missing...each other.

Users Review

From reader reviews:

Lawrence Howe:

In this 21st one hundred year, people become competitive in every way. By being competitive right now, people have do something to make these people survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that at times many people have underestimated this for a while is reading. That's why, by reading a book your ability to survive increase then having chance to stand than other is high. For yourself who want to start reading a book, we give you this kind of Connecting Rooms book as beginning and daily reading guide. Why, because this book is more than just a book.

Robert Bell:

Information is provisions for folks to get better life, information nowadays can get by anyone from everywhere. The information can be a expertise or any news even a concern. What people must be consider any time those information which is inside the former life are challenging be find than now could be taking seriously which one is suitable to believe or which one the resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take Connecting Rooms as the daily resource information.

Brenda Lewis:

Do you have something that you prefer such as book? The guide lovers usually prefer to decide on book like comic, brief story and the biggest one is novel. Now, why not hoping Connecting Rooms that give your pleasure preference will be satisfied by means of reading this book. Reading routine all over the world can be said as the method for people to know world far better then how they react to the world. It can't be mentioned constantly that reading practice only for the geeky individual but for all of you who wants to be success person. So , for all you who want to start examining as your good habit, you may pick Connecting Rooms become your own starter.

Carla Helton:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book has been rare?

Why so many issue for the book? But almost any people feel that they enjoy intended for reading. Some people likes looking at, not only science book but also novel and Connecting Rooms as well as others sources were given information for you. After you know how the truly great a book, you feel desire to read more and more. Science guide was created for teacher or even students especially. Those textbooks are helping them to increase their knowledge. In some other case, beside science e-book, any other book likes Connecting Rooms to make your spare time considerably more colorful. Many types of book like this one.
