Editorial Review

Review

The Happy Intercessor is...a Holy Spirit journey into the very heart of the Father. ---Kris Vallotton, cofounder, Bethel School of Supernatural Ministry

I have read no less than 40 books on intercession. Some challenged me to pray more, others helped me to see God's design for prayer, but few kept my rapt attention like Beni Johnson's *The Happy Intercessor*. This is one of the most interesting books on intercession I have ever read. Beni has the unique ability to blend the heavenly with the practical through her own life stories and biblical insight. This is a must read for every person called to intercession, especially if you are having trouble being consistent at it. ---John Paul Jackson, Founder of Streams Ministries International
