 Get Print Book

Fifty-four portraits of women that are striking, beautiful, and real. The bodies in this book have been shaped by the full sweep of the feminine experience.

They belong to 54 women from all over the country, ages 19 to 95, of all sizes and shapes, ethnicities, and life experiences, who were willing to expose their naked physical forms in *This Is Who I Am*. They are ordinary women only in the sense that none is a professional model. They are in all other ways extraordinary?courageous, curious, thoughtful, speaking unflinchingly about their bodies, then allowing themselves to be photographed to inspire other women to make peace with their physical selves, "to glorify the real beauty of all women."

Certainly, the feminine nude form is not new to artists and photographers. But the portraits in *This Is Who I Am*, taken by award-winning photographer Rosanne Olson, with a steady, unjudgmental eye, speak loudly to the American obsession of feminine perfection?slim hips and full breasts, high cheekbones and tiny waists, taut skin and eternal youth?and even more loudly to the way real women, with real bodies and real lives, look.

By turns tender, personal, and moving, this tribute to contemporary womanhood is the perfect gift for mothers to give to daughters, daughters to cousins, cousins to friends.

"This is an absolutely wonderful book. Every woman needs to see it! It has made me feel inspired, exhilarated, normal and beautiful!"

—Kate Winslet

From the Inside Flap

The bodies in this book have been shaped by the full sweep of the feminine experience. They belong to doctors, lawyers, artists, mothers, professors, performance artists--women from all over the country, ages nineteen to ninety-five, of all ethnicities and life experiences. These are ordinary women only in the sense that none is a professional model. They are in all other ways extraordinary--courageous, curious, thoughtful, speaking unflinchingly about their bodies, then allowing themselves to be photographed to inspire other women to make peace with their physical selves.

Certainly, the feminine nude form is not new to artists and photographers. But the portraits in "This Is Who I Am," taken by award-winning photographer Rosanne Olson with a steady, non-judgemental eye speak loudly to the American obsession of feminine perfection--slim hips and full breasts, high cheekbones and tiny waists, taut skin and eternal youth--and even more loudly to the way real women, with real bodies and real lives, look. Each of the striking and classically photographed potraits in this book stands on its own. Looked at together they form a tribute to contemporary womanhood that is by turns tender, personal, and moving. "This Is Who I Am" goes to the heart of these women's lives. It will touch any mother, wife, or daughter, and any husband, son, or father, too.

Users Review

From reader reviews:

Christine Scott:

What do you with regards to book? It is not important along with you? Or just adding material when you need something to explain what the one you have problem? How about your extra time? Or are you busy man? If you don't have spare time to do others business, it is make you feel bored faster. And you have spare time? What did you do? Everybody has many questions above. They must answer that question since just their can do that will. It said that about book. Book is familiar on every person. Yes, it is suitable. Because start from on kindergarten until university need this particular This Is Who I Am: Our Beauty in All Shapes and Sizes to read.
