American English Spelling: An Informal Description By D. W. Cummings

In this study of the English language as it is spelled in America, D. W. Cummings demonstrates that behind the apparent disorder of spelling in American English lies a self-regulating and self-reorganizing system that is responsive to four kinds of imperative: phonetic, semantic, etymological, and systemic. Cummings offers a systematic theory of orthography and applies this theory to the American English vocabulary with numerous examples. Cummings also describes the explication of written words into their elements, particles, and processes, and he sets out the tactical and procedural rules that control the distribution and sequencing of vowels and consonants. In the largest section of the book, he provides an exhaustive description of the major and minor correspondences between the sounds of American English words and their spellings. An essential reference work, *American English Spelling* moves beyond questions of *how* words are spelled to an understanding of *why* they are spelled as they are.

Editorial Review

Review

"Until now we have had no work like this. In prose that is a pleasure to read, Cummings reveals order in a seemingly chaotic domain, an accomplishment that is surely the essence of humanistic and scientific scholarship."--Charles Read

About the Author

D. W. Cummings is emeritus professor of English at Central Washington University. He can be contacted through his website, www.dwcummings.com.

Users Review

From reader reviews:

Tracy McCulloch:

As people who live in the actual modest era should be revise about what going on or info even knowledge to make all of them keep up with the era which is always change and make progress. Some of you maybe will update themselves by studying books. It is a good choice to suit your needs but the problems coming to anyone is you don't know what one you should start with. This American English Spelling: An Informal Description is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and need in this era.

Edna Kopec:

In this era globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The health of the world makes the information quicker to share. You can find a lot of referrals to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. Typically the book that recommended to you is American English Spelling: An Informal Description this publication consist a lot of the information on the condition of this world now. This book was represented just how can the world has grown up. The words styles that writer value to explain it is easy to understand. The particular writer made some study when he makes this book. That is why this book ideal all of you.

Byron Sierra:
