Religions of Rome: Volume 1, A History: 001 By Mary Beard, John North, Simon Price

This book offers a radical new survey of more than a thousand years of religious life at Rome. It sets religion in its full cultural context, between the primitive hamlet of the eighth century BC and the cosmopolitan, multicultural society of the first centuries of the Christian era. The narrative account is structured around a series of broad themes: how to interpret the Romans' own theories of their religious system and its origins; the relationship of religion and the changing politics of Rome; the religious importance of the layout and monuments of the city itself; changing ideas of religious identity and community; religious innovation - and, ultimately, revolution. The companion volume, *Religions of Rome: A Sourcebook*, sets out a wide range of documents richly illustrating the religious life in the Roman world.

Editorial Review

Review

"Finally, someone has written a readable history of the complex subject of Roman Religion. Beard, North and Price, professors from Cambridge, University College London and Oxford respectively, bring a wealth of expertise to the project, but their approach is, in their own terms 'radical'. Throughout, this book is authoritative, well organized, interesting and eminently readable. It is highly recommended as a background to the important subject of religion as it is manifested in numismatic imagery." Wayne G. Sayles, The Celator

"Religions of Rome is a major work from a major press that will likely be widely read and cited for years to come. Often, it is worthy of such a status." The Journal of Religion

"A handsome, impressively illustrated two-volume set..." Lingua Franca

Users Review

From reader reviews:

John Sanchez:

What do you in relation to book? It is not important to you? Or just adding material when you want something to explain what the one you have problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to complete others business, it is make you feel bored faster. And you have free time? What did you do?
