Editorial Review

From School Library Journal

Gr 7 Up—Teens will be excited to return to Bardugo's marvelous world, first visited in her "Grisha Trilogy" and in this duology's previous *Six of Crows*. They will be treated to a visit from old friends—the graceful (and deadly) Inej; Nina, the Grisha Heartrender; Wylan, the discarded, illiterate merchant's son; and the mysterious and vengeful Kaz. Characters from the original trilogy (most notably Stormhund, prince-turned-privateer) also make an entrance in the heart of the slums of Ketterdam. Plots to take control of the city's underworld abound as Kaz rallies his allies and takes on the might of the rapacious merchant class and Pekka Rollins, King of the Barrel and ruler of the dregs of the city. Following the death of his brother, the antihero has surrounded himself with the castoffs of Ketterdam, all of them very young, defective in some way, and abandoned. Together they will either rule the city victoriously or fail magnificently. While it isn't absolutely necessary to have read the other titles in Bardugo's series, readers will be better served by this continuation if they are already familiar with the complex world and characters. This fast-paced dive into the Barrel, where fortunes are made and lost and life itself hangs in the balance, will keep readers enthralled long past bedtime. VERDICT A must-purchase for all YA collections.—Jane Henriksen Baird, Anchorage Public Library, AK
