Jinx By Meg Cabot

It's not easy being Jinx.

Jean Honeychurch hates her boring name (not Jean Marie, or Jeanette, just . . . Jean). What's worse? Her all-too-appropriate nickname, Jinx. Misfortune seems to follow her everywhere she goes—even to New York City, where Jinx has moved to get away from the huge mess she caused in her small hometown. Her aunt and uncle welcome her to their Manhattan town house, but her beautiful cousin Tory isn't so thrilled. . . .

In fact, Tory is hiding a dangerous secret—one that could put them all in danger. Soon Jinx realizes it isn't just bad luck she's been running from . . . and that the curse she has lived under since the day she was born may be the only thing that can save her life.

Editorial Review

From School Library Journal

Grade 7 Up—Jean Honeychurch is so unlucky that even her family calls her Jinx. To escape an unpleasant situation with a boy who refuses to let her end their relationship, Jinx moves from Iowa to Manhattan to live with her aunt and her family in their swanky Upper East Side townhouse. It's no surprise that the klutzy, small-town 16-year-old doesn't fit in with über-chic cousin Tory and her friends, and she definitely doesn't share their fondness for drugs and alcohol. Tory, who has been practicing witchcraft for some time, soon realizes that Jinx also has the gift and invites her cousin to join her coven. But Jinx knows the dangers of playing with magic and refuses. Tory sees Jinx's snub as a threat and plots against her. Though she wants to leave magic behind, Jinx must learn to harness the mysterious powers that are her birthright before Tory does too much damage. Cabot creates believable conflict and avoids being too fantastical, as Tory's mental instability is more dangerous than her Wiccan powers. In the vein of *Avalon High* (2006) and "The Mediator" series (both HarperCollins), the author delivers her signature blend of romance and wit, successfully combining upper-crust chick-lit and a tad of the supernatural into an entertaining potion that is sure to please her fans and draw in new readers.—*Emily Anne Valente, New York Public Library*

From [Booklist](#)

Cabot has written another fast-paced teen pleaser, this time about a teenager with supernatural powers and her cousin who craves them. Since the day she was born, bad luck seems to have followed Jinx Honeychurch. Even after her parents send her to live with her aunt, uncle, and cousins in New York City, Jinx seems plagued by bad luck. Then Jinx's cousin Tory reminds her that their great-great-great-great-grandmother, a witch who was burned at the stake, had special talents that have been passed on to one granddaughter in each generation. Jinx, a preacher's daughter, has no intention of competing with Tory for that honor, until she discovers Tory's sinister plans. With a cauldron full of jealousy, cute boys, ample cash, and a typical high-school setting, this story has plenty of popular appeal. This isn't great literature, but it is great fun. Bradburn, Frances

About the Author

Meg Cabot was born in Bloomington, Indiana. In addition to her adult contemporary fiction, she is the author of the bestselling young adult fiction *The Princess Diaries* and *The Mediator* series. Over 25 million copies of her novels for children and adults have sold worldwide. Meg lives in Key West, Florida, with her husband.

Users Review

From reader reviews:

Gregory Stclair:

What do you concentrate on book? It is just for students since they're still students or the item for all people in the world, what best subject for that? Just you can be answered for that query above. Every person has various personality and hobby for every other. Don't to be compelled someone or something that they don't would like do that. You must know how great as well as important the book Jinx. All type of book can you see on many methods. You can look for the internet options or other social media.
