Captive Heart (Iroquois Book 2) By Cynthia Roberts

Banished from her tribe, Nuchzetse (New-zet-see) has no intention of honoring her punishment as a ward to an elderly shaman with a neighboring tribe. That is, until she meets the striking Oneida Bear Clan leader, Lone Star. Even though his contempt for her is obvious, she wrestles between a desire to win his favor or, escape the judgment holding her free spirit captive.

The very fate she has mocked her entire adult life sends her on a dangerous journey that tests the essence of who she is and the woman she secretly wishes to become. Captive Heart ~ Book 2 of the Iroquois Series ~ is a soulful story of spiritual rebirth, and a passionate love that blossoms during a difficult journey of revelation.

Editorial Review

Review

By Romance Junkies Reviewer: Dottie

BlueRibbon Rating: 4.5

A poignant tale, **CAPTIVE HEART**, the second book in talented author Cynthia Roberts' **IROQUOIS** series, is a warm, passionate historical romance that will transport you back to colonial America. This tale of spiritual rebirth and passionate love gives insight into the Indian people, who are often thought of as savage, but in reality only seek to peacefully coexist with the whiteman. There are lessons that we could take from them. They live off the land, not depleting it, but honoring it and live close to their God, thanking Him for their blessings and seeking His guidance in their every action. This beautifully written story will touch your heart as it gives a perception into another way of life. By combining love, passion, hatred, danger, spiritual guidance, kidnapping, violence, remorse, Indian customs and legends as well as second chances, Ms. Roberts has penned a story that is unforgettable. Whether you are a fan of colonial and Indian romances or not, I believe you will enjoy this story. This book can be read as a standalone, but for additional enjoyment, do not miss the first book in this series, **WIND WARRIOR**, the tale of Winnok and White Dove. I recommend **CAPTIVE HEART** and look forward to reading more of Cynthia Roberts' works.

From the Author

If you read Book 1 of the series, *Wind Warrior*, then you'll enjoy reading Book 2. Nuchzetse was an extremely strong character and the infamous "bad girl." I couldn't help but wonder, what if she went through a series of tests to prove her humanity and self-worth.

Her journey is a soulful one of rediscovery, and one I think will keep you turning pages and enjoying the ending immensely.

About the Author

My love of reading romance fiction goes back to those early years when I was raising a young family. It wasn't until much later in life I actually took up the pen to write and my first historical romance, *Wind Warrior* was born.

I wish I could have gotten to this point in my career much sooner rather than later but, life simply got in the way far too many times. Because of those multiple detours, however, I have become a more passionate and expressive writer and can draw upon those painful moments in my past when I need to create the kind of raw human emotion I want my readership to feel.

It is my hope my readers walk away with not just an entertaining read but the importance in knowing, "Without imagination & dreams, we lose the excitement of wonderful possibilities."

Users Review

From reader reviews:

Ross Larson:

Now a day folks who Living in the era where everything reachable by talk with the internet and the resources inside can be true or not involve people to be aware of each details they get.
