The Billionaire's Club—a fabulously sexy contemporary romance series about some of the world's wealthiest, most powerful men and the women they claim...and keep.

Not everyone knows that billionaire Daniel Lexington gets a little dirty, a little dark, and will settle for nothing less than everything from any woman lucky enough to tangle his sheets. Handsome, rich and completely irresistible, Daniel can have any woman he wants. However, there is one woman he aches to possess, but has never touched: Monica Davenport.

Monica is one of the alarmingly few women in his life that Daniel has called friend and Daniel protects his friends—no matter what. But when Monica comes to him one night, asking him to make love to her, Daniel is not about to refuse—he *can't* refuse—even if it could cost him everything. Now, she has a shocking, erotic proposal that threatens to change everything between them because Daniel is a demanding lover who will accept nothing less than complete surrender...
