**Take Care of Freedom and Truth Will Take Care of Itself: Interviews with Richard Rorty (Cultural Memory in the Present)** By Richard Rorty

This volume collects a number of important and revealing interviews with Richard Rorty, spanning more than two decades of his public intellectual commentary, engagement, and criticism. In colloquial language, Rorty discusses the relevance and nonrelevance of philosophy to American political and public life. The collection also provides a candid set of insights into Rorty's political beliefs and his commitment to the labor and union traditions in this country. Finally, the interviews reveal Rorty to be a deeply engaged social thinker and observer.

### **Editorial Review**

#### **Review**

"The United States has produced a great many idiosyncratic champions of human freedom, Walt Whitman and William James above all. It is time to recognize Rorty's place in that lineage." (*Dissent*)

#### **From the Inside Flap**

This volume collects a number of important and revealing interviews with Richard Rorty, spanning more than two decades of his public intellectual commentary, engagement, and criticism. In colloquial language, Rorty discusses the relevance and nonrelevance of philosophy to American political and public life. The collection also provides a candid set of insights into Rorty's political beliefs and his commitment to the labor and union traditions in this country. Finally, the interviews reveal Rorty to be a deeply engaged social thinker and observer.

#### **From the Back Cover**

"Brilliant, lively, ethically inspiring, Richard Rorty's new compilation is an extension of his recent political analysis and diagnosis of the contemporary American condition. At least since *Philosophy and Social Hope*, but certainly well before then, Rorty has been one of the precious few eminent social critics and commentators whose thoughts are always conveyed with philosophical sophistication and supreme literary stylization. This is the kind of book that, unlike so many others today, truly deserves to be talked about, debated, and reviewed everywhere." —Drucilla Cornell, Rutgers University

"Rorty is an extraordinarily important and influential philosopher, both inside and outside philosophy. His thoughtful political and social views are worth presenting in interview format . . . Many of the interviews here are otherwise inaccessible, making this collection invaluable." —Samuel C. Wheeler III, University of Connecticut

### **Users Review**

#### **From reader reviews:**

##### **Beverly Brown:**

Have you spare time for a day? What do you do when you have much more or little spare time? Yeah, you can choose the suitable activity for spend your time.
