### The Billionaire's Trap (Remember Me Book 2) By Lila Moore

There once was a time when I was carefree and happy. I had a beautiful, rich boyfriend and life was good.

This is the lie I tell myself. The truth is lost to me.

I woke in a hospital with no memory of who I am. The only thing I know for sure is that I was pulled from a fire by the wealthy, handsome playboy Damien Cross. When he offered to take me home with him, I was excited. A hot billionaire wanted to help me recover my memory. I'm a lucky girl, right? Wrong.

Damien's hiding something from me. I'm starting to suspect we knew each other before the fire. He won't tell me the truth and he won't let me leave.

Worst of all, I'm plagued by steamy dreams of a tall, dark mysterious man. Desire burns between us, hot and intense. But who is this man? I'm starting to worry that these dreams are in fact memories.

Am I responsible for the fire, or the victim of a wealthy man's revenge? I'm determined to find the truth, but you know what happens when you play with fire...
