The Rise and Fall of the Nephilim: The Untold Story of Fallen Angels, Giants on the Earth, and Their Extraterrestrial Origins By Scott Alan Roberts

Genesis 6:4: “And the Nephilim were on the earth in those days – and also afterward – when the Sons of God cohabited with the daughters of humans, and had children by them. . .” The ancient books of Genesis and Enoch tell us that spirit beings known as the “Watchers” descended to the Earth, had sex with women, and begat a hybrid race of offspring known as the Nephilim. Such tales are as old as humanity itself. These histories and accounts of visitations and subsequent mixed-blood alien-human races comprise the bulk of mythology, legend, religion, and our superstition. The Rise and Fall of the Nephilim examines: “* Elohim and the Bene haElohim – God and the Sons of God “* The “Watchers”: Ufos, extraterrestrials, angels, infiltrators, and impregnators “* Demonic agendas: incubi, succubi and spirit beings “* Biblical and apocryphal sources from Enoch to Moses “* The role of the Fae, Elves, Elementals, and ancient gods What if the old spiritualities and religions weren-t just legends? What if there was something living and breathing beneath the surface, a tangible interlinking of religious thought and spirituality, science and myth, inter-dimensionality and cold, hard fact? The Nephilim walked among us. . . and still do today.
