Editorial Review

From the Author

About the Huntsville Pack Series:

Tucked in the hills of Appalachia are small communities where the people are connected by one common thread: They are all shifters. They live their lives mostly in peace, but when trouble comes calling, they always rise to the challenge...for their packs, their mates and the shifter way-of-life.

There are 3 books so far:

Bring Her Wolf which is a prequel to the novel *The Alpha's Mate* and *The Alpha's Justice* which is a standalone novel. There are no cliffhangers in the series, but you *will* find complex plots and lots of action mixed with steamy romance.
