### The Gospel of César Chávez: My Faith in Action (Celebrating Faith: Explorations in Latino Spirituality and Theology) From Brand: Sheed Ward

Once asked to explain how he had sustained himself over so many years of struggle, César Chávez responded: "I don't think I could base my will to struggle on cold economics or some political doctrine. For me, the base must be faith."

In evaluating the life and struggles of César Chávez, one of the most recognized Latino leaders in the United States and the first labor leader to successfully organize and unionize U.S. farm workers, many historians, journalists, and other writers have largely missed one significant factor of his life?his faith and deep spirituality. *The Gospel of César Chávez* uses the prolific leader's own words to express his profound faith and the way it shaped his life and leadership.

### Editorial Review

#### Review

Mario García's *The Gospel of César Chávez* presents the thoughts and words of one of the leading U.S. Catholic and ecumenical thinkers of the 20th century. Readers will find here many startling meditations on poverty, non-violence, collective action, and social justice, and on their relationship to human spirituality. (Stephen Pitti, professor of history & American Studies, director of Ethnicity, Race, and Migration Studies, Yale University)

This is a book to read slowly and meditatively and let it transform you. Mario García has truly given us Gospel, 'good news,' a window into the everyday wisdom, dichos, and powerful spiritual vision of César Chávez. (Timothy Matovina, associate professor of theology, director of the Cushwa Center for the Study of American Catholicism, University of Notre Dame)

César Chávez was primarily a moral teacher, a man of great faith whose spirit inspired all those who met or heard him. Professor García's beautiful book captures, in César's own words, the depth of Chávez's convictions and the richness of his legacy for all generations. The power of his beliefs about human dignity, social justice, love, and truth is evident in this remarkable volume. This book may help us find a moral direction as we enter the perilous decades of the twenty-first century. (Richard Griswold del Castillo, professor of Chicana and Chicano Studies, San Diego State University)

*The Gospel of César Chávez* reveals the agony and the ecstasy of a man I was privileged to know, one living an authentic Christian life amidst injustice, suffering and even death-and never losing hope that justice will one day triumph. Like Moses, he did not see that day but never despaired of its dawning. (Moises Sandoval, author of *On the Move: A History of the Hispanic Church in the United States*)

*At this crucial moment in our nation's history?'the immigration moment'?the witness of César Chávez gives us reason to hope. As we face the gift and task of just and lasting immigration reform, this collection of Chávez' writings reminds us that true reform of any kind must be nurtured and sustained by a lively faith and a vibrant spirituality. (Cardinal Roger Mahony, Archbishop of Los Angeles)*

*Garcia heavily annotates each chapter and ends the book with a bibliography....The book dispels any misconception of Chavez's beliefs were simple or unsophisticated....Response to the book has been positive and diverse. (El Paso Times, May 2008)*

#### About the Author

**Mario T. García** is a professor of history and Chicano studies at the University of California, Santa Barbara. He is the author of several books on Mexican American leaders, including *Mexican Americans: Leadership, Ideology, Identity*.

### Users Review

#### From reader reviews:

**Elizabeth Edge:**

As people who live in typically the modest era should be upgrade about what going on or facts even knowledge to make these keep up with the era which can be always change and move forward. Some of you maybe will certainly update themselves by looking at books. It is a good choice in your case but the problems coming to you actually is you don't know which one you should start with. This The Gospel of César Chávez: My Faith in Action (Celebrating Faith: Explorations in Latino Spirituality and Theology) is our recommendation to make you keep up with the world. Why, because this book serves what you want and need in this era.

**Edward Salazar:**

Reading a e-book tends to be new life style in this particular era globalization. With looking at you can get a lot of information that could give you benefit in your life. Having book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire all their reader with their story or their experience. Not only the storyplot that share in the ebooks. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on this planet always try to improve their skill in writing, they also doing some investigation before they write on their book. One of them is this The Gospel of César Chávez: My Faith in Action (Celebrating Faith: Explorations in Latino Spirituality and Theology).

**Hoyt Moore:**

This The Gospel of César Chávez: My Faith in Action (Celebrating Faith: Explorations in Latino Spirituality and Theology) is great guide for you because the content which can be full of information for you who all always deal with world and also have to make decision every minute. This book reveal it details accurately using great arrange word or we can claim no rambling sentences inside. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tough core information with attractive delivering sentences. Having The Gospel of César Chávez: My Faith in Action (Celebrating Faith: Explorations in Latino Spirituality and Theology) in your hand like keeping the world in your arm, info in it is not ridiculous one particular. We can say that no guide that offer you world throughout ten or fifteen minute right but this e-book already do that. So , this is good reading book. Hey Mr. and Mrs. active do you still doubt that will?

**Ella Carlson:**

Many people spending their period by playing outside along with friends, fun activity with family or just watching TV all day every day. You can have new activity to invest your whole day by looking at a book. Ugh, ya think reading a book really can hard because you have to bring the book everywhere?
