No More Secrets: A Small Town Love Story (Blue Moon Book 1) By Lucy Score

“I can’t wait anymore.” His mouth claimed hers in a storm of heat and power.

Carter Pierce is a man who believes in signs. He just doesn't know what to do with this one.

In the small town of Blue Moon Bend, where everybody is a matchmaker, Carter wants to be left alone to tend the family farm. After returning from Afghanistan with scars, his only goal is recovery. He doesn't need any distractions, and definitely not one with silver-blond hair and lips that beg to be kissed.

Summer Lentz is a journalist from the city sent to interview Carter and his family. She's out of place in the small town, with her designer wardrobe and workaholic lifestyle. She asks too many questions and doesn't take no for an answer, threatening to destroy the peace and balance that Carter has been working towards. She thwarts every attempt Carter makes to retreat back inside himself, somehow bringing him closer to being whole again.

Summer has secrets of her own, but she never planned to open up to anyone - let alone the scowling, secretive farm owner whose story she's after. But as she gets drawn into the community, she starts to realize that she can't stay closed off forever.

And what's more, she doesn't want to.

As Carter and Summer grow closer, will they be able to push past the secrets that are holding both of them back?

Review

"Totally in love...I am completely in love with Summer and Carter. I love the whole Pierce family and can't wait to read more. I have **enjoyed all of Lucy's books and really like her writing style**. The **characters have a lot of depth** and i love having both of their point of views." - *Jennifer McCarthy*

"Super sweet. I loved this book. There was no major twist, **no crazy and outrageous drama**, just real life people making real life choices. **Carter is seriously the perfect guy**, and I laughed at Summer's experience on the farm. I can't wait to read the next books about the beautiful Pierce brothers. **Another great story from an author I will always read!"** - *Breiann M. Yoder*

"Amazing! This book was absolutely amazing. I love the feeling I got from the small town feel of the characters...I love that there are so many characters to fall in love with and **I cannot wait to read more about the Pierce Brothers** or anything else that Lucy Score decides to write :)" - *RAB*

"LUCY SCORE YOU DID IT AGAIN!!!! BEAUTIFUL LOVE STORY. Oh my word **Lucy Score you have done it again!!!!** I feel head over heels in love with your characters in Pretend You're Mine and **this book does not disappoint!!!!** I was hesitant because I adored your previous book so much, but the way you develop characters into these complex people is amazing!!! I **loved the banter** between the brothers and am looking forward to reading their stories too! Especially Jax and Joey, will she forgive him?? **Blue Moon Bend sounds like the cutest little town ever!!!** I also love how you brought all the townspeople in as characters. **Can't wait for book 2 and 3!!!!**" - *Mikayla Kolterman*
