## Go Add Value Someplace Else: A Dilbert Book By Scott Adams

?He's the icon of millions of corporate workers, the most popular cubicle dweller on this planet. He spends his days in endless meetings with incompetent supervisors, performing perfunctory tasks mixed with the occasional team-building, brainstorming, or management fad-of-the-day session. He has entertained us for more than two decades: He's Dilbert.

?Does *Dilbert* creator Scott Adams have a hidden camera in your office--or is he just completely in tune with the inept managers, wacky office politics, and nonsensical leadership practices that seem to run wild at your company?

?Stop looking for the camera. *Dilbert* has become a hugely successful strip because Adams feels your pain. How? Because this former employee of a major telecommunications company has been there. He's seen the road to failure firsthand. And he knows that to successfully navigate the ludicrous world of business, you can't expect common sense to prevail, you need to keep a sense of humor, and above all, you must always be ready to blame the other guy.

?The strip's enormous popularity stems from the fact that its millions of readers easily identify with the crazy plots and wacky characters found within the corporate environment. Sure, most companies don't have a bespectacled engineer with a tie permanently curled up, a cynical talking dog, and a manager with two pointy tufts of hair. But it's the outrageous things *Dilbert* characters do and say that leave readers knowingly nodding their heads and, of course, laughing uproariously. The antics of *Dilbert's* cast are based not only on Adams's own corporate experiences, but on the numerous e-mails he receives each day about the office dramas of his devoted fans.

**Jennifer Fountain:**

As a student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Go Add Value Someplace Else: A Dilbert Book can make you experience more interested to read.
