## The Conclusion!

**Every girl is destined to turn into her mother...**

### Genevieve

I didn't plan on getting pregnant by my mother's Sugar Daddy Luke. Life has a strange way of throwing you a curve ball. I never dreamed I'd be attracted to the same sort of man as my mother, but Luke is unlike anyone I've ever met: rich, hot, strong... and did I mention rich?

My mother only cares about his money and she will do anything to prevent another woman from getting her hands on it. Even if it means ruining her own daughter's life.

Now that I'm pregnant, I have to find a way to resolve things with my mother and Luke. But she won't make it easy. In fact, she's planning on stealing him back and making sure he never wants anything to do with me again.

Time is running out. Luke has to make a choice: does he want to spend his life with me, or my mother?

### Luke

Lovesick. I didn't know men were capable of feeling this way. But since meeting Genevieve, everything seems possible. She makes me feel things I've never felt before. I can't get her out of my head.

There's just one problem: her mother, my ex. She's told me shocking things about Genevieve's past-- things I can't ignore.

Is Genevieve prone to violence like her mother claims? Is she out to get my money? Are they working together to scam me?

I have no idea who I can trust. All I know is that I need Genevieve. No matter the cost, I'm going to get her back.
