Forbidden By Kimberley Griffiths Little

A sweeping, epic saga of romance and hardship, set against the dramatic backdrop of ancient Mesopotamia—perfect for fans of *Cleopatra's Moon* or the adult bestseller *The Red Tent*.

In the unforgiving Mesopotamian desert where Jayden's tribe lives, betrothal celebrations abound, and tonight it is Jayden's turn to be honored. But while this union with Horeb, the son of her tribe's leader, will bring a life of riches and restore her family's position within the tribe, it will come at the price of Jayden's heart.

Then a shadowy boy from the Southern Lands appears. Handsome and mysterious, Kadesh fills Jayden's heart with a passion she never knew possible. But with Horeb's increasingly violent threats haunting Jayden's every move, she knows she must find a way to escape—or die trying.

With a forbidden romance blossoming in her heart and her family's survival on the line, Jayden must finish the deadly journey to save the ones she loves—and find true love for herself.

Review

STARRED Review, ALA BOOKLIST

In the unforgiving desert of Mesopotamia, 1,700 years before the birth of Jesus, lives Jayden's tribe, descendants of Abraham and believers in the one God. For Jayden, her life is filled with certainty. She is betrothed to Horeb, who will one day become tribal leader, and until their wedding, she lives with her loving parents and sister, Leila. Then all falls apart. Her mother dies in childbirth; her sister insists that she will move to the Temple of Ashtoreth, where she will live in luxury as a pagan priestess; and Kadesh, a stranger, comes to her aid and into her heart. Jayden tries to fight a relationship that is strictly forbidden, but as Horeb's cruelty becomes more and more evident, Jayden must make choices between dishonor and freedom. At its core, this is a romance, with all the push and pull that goes along with impossible love, and Little elevates the story by creating a perilous landscape, both outward and inward, as Jayden must deal with the hardship of desert life as well as her own desires. This fits neatly into the new adult category, and an apparent sequel will be anticipated.

"Lush, lyrical, romantic. *Forbidden* transports readers into a vividly imagined place and time."

--Claudia Gray, *New York Times* bestselling author

"The harsh beauty of the deserts of ancient Mesopotamia come to life in *Forbidden*, with beautiful descriptions that will make you crave water and check for sand in your clothes. Your heart will break as you root for Jayden to triumph over the many struggles that threaten to tear her world apart, and the ending will leave you thirsting for more!"

--Sara B. Larson, author of *Defy*

From the Back Cover

"He reached up to touch my face and I shook my head, knowing that if I let him do that, I might let him do so much more."
