He was the man who knew all of her secrets! And now he was demanding that she provide him with an heir? What more could go wrong with her world?

Harrison had to marry and produce an heir or he'd lose his title. And he had a very short period of time in which to accomplish that miracle. Unfortunately, the only woman who had ever affected him wouldn't give him the time of day...until he discovered her brother stealing priceless artifacts out of his home. Now he could manipulate the situation to his benefit. The woman who had evaded him for so many years would finally be his!

### **Editorial Review**

#### **About the Author**

Elizabeth Lennox writes contemporary romance novels featuring sheiks, business tycoons, royalty, and other sexy rich men. Her male lead characters are smart, driven and determined, but can still be sensitive and vulnerable. Elizabeth's female lead characters come from a variety of backgrounds. They are strong, intelligent and independent, while still feminine and caring. Although she wanted to be a romance novelist since the eighth grade, that dream only became a (paid) reality for her in 2009 and a full time job in 2012. Along the way, she received a BS in History and held different jobs in the real estate, government consulting, and financial industries. All during that time, though, she was always writing, using her personal experiences, dreams, and travels throughout the United States, Europe and the Caribbean as backdrops for her stories. To date, she has written over eighty books and sold over one million copies. Her free novellas have been downloaded over 2.2 million times since 2013 and she has been featured in the USA Today™ best-sellers list. Elizabeth lives in Virginia with her husband and two children. Their home is just outside of Washington, D.C., and many of her novels are set in this area.
