Editorial Review

Review

As featured in am New York, AmEx Centurion Magazine, Italia!, La Repubblica, The New York Times Book Review, The Times Literary Supplement, Travel + Leisure, Vanity Fair, and on Bloomberg, Eater, Gear Patrol, Goop, The Kitchn, and Tasting Table

"Not merely another handsome book about Italian cookery, *Eataly: Contemporary Italian* cooking is only the most recent offering of a food revolution... *Eataly* is a bible, a guide for modern life, lived without undue waste of time, concentrating on the freshness and background of every ingredient... The recipes concentrate on freshness and simplicity, with some imaginative combinations of flavours... Most useful, perhaps, is the handsome and beautifully illustrated glossary... There are invaluable and informative lists of different varieties of rice, cereals, cheeses and dried beans. *Eataly* is a celebration of such ingredients, and of an intelligent understanding of the importance of taking food seriously and with discrimination - both valuable messages in an age of haste and expediency." —*TLS (Times Literary Supplement)*

"Fresh Italian twists." —*Vanity Fair*

"*Eataly* is the latest in Phaidon's famously elegant line of cookbooks, but we're loving it for more than its simple aesthetic and inviting textured cover... [The visual glossary] is arguably the most useful 40 pages ever published in a cookbook." —*Tasting Table*

"If *Eataly* is the church of Italian cooking, consider this is its holy book... [T]he photos are all frame-worthy, so even if your pal's stove is mostly used for storage, they'll appreciate the coffee table food porn." —*Travel + Leisure Online*

"The classics of Italian food are rooted in the traditions of eating well [...] and here comes the latest offering to inspire our cooking and add to our bookshelves. Just by its heft, you know this substantial volume means business... A more modern take on Italian cooking, reflecting a contemporary approach to eating, with less-rich sauces and speedier culinary techniques... The recipes are packed with the authentic flavours of Italy, but with a lighter, fresher touch... Beautifully photographed and easy to follow." —*Italia!*

"*Eataly* makes fresh, healthy easy with incredible instruction, amazing tips, and a visual guide that makes even grocery shopping easier and more fun." —*GOOP*

"Give the cook in your life this Italian cooking tome, complete with hundreds of the mega store's recipes" —*Tasting Table*

"*Eataly: Contemporary Italian Cooking* showcases modern Italian food - still steeped in tradition, but lighter, fresher, and quick and easy to prepare." —*The Australian Women's Weekly*

"*Eataly: Contemporary Italian Cooking* is a rare thing: a book I'd recommend heartily to someone who owns a few food books and cares little for the silly, cherry culture but wants to cook well at home with an Italian accent. And a book most avid food book consumers will want to own, too, for the freshness of its food ideas and the guarantee of recipe reliability that comes from a publisher such as Phaidon." —*The Australian*

About the Author

Eataly is the largest exclusive Italian marketplace in the world, with high-quality restaurants, food and beverage counters, bakery, retail items, and a cooking school. Eataly also collaborates with Slow Food and has an enormous international presence.

Users Review
