### Editorial Review

#### Review

"Less of a commitment than a diary and a pretty format and design to make you want to keep it laying around. I think back to what I would have written on these pages five years ago and how different they would be now. It will be really nice to open up these letters in a few years and see how far I've come." --  
**Julia Rothman, author of *Hello NY***

"...marvelously designed little book that contains self-sealing letters and prompts." --***The Well Appointed Desk***

"It's a hardback collection of bound aerogrammes with different writing prompts. The idea is that you fill it out and have it to reference...in the future. Genius." --**Letter Writers Alliance**
